# DECISION MATRIX

WRITE DOWN THE DECISION YOU NEED TO MAKE

Use a pencil to colour within the circles

Make money out of it and don't learn anything out of it, and also you spend a lot of time on it. **Rethink the decision.**

Learn a lot, but make no money out of it, and if you are still in your 20s, **Do it immediately.**

Spend a lot of time on it, learn nothing, make no money in the end. **Don't do it.**

If you make less money, have a lot of learning and spend a lot of time on it, **Still do it!**
